

25.6 Capnobotrya? large apothecia up to 1500 diam.
vs setae cylindrical asci 160 x 10
spores ellipsoid 16 x 8 pairs clavate to
8-9 granulata ✓

Ascobius spore 25.7 x 11.2 

27.6 Schizothecium immature, ± immersed with crust
of dense small scales

Ascobius albatus ✓  24 x 11.2.

Thelobius globose cleistothecia 100 diam
4-5 asci clavate 65-70 x 25 polyseptate 128?
spores hyaline ellipsoid 6-6.5 x 3 dubius? ✓

Thelobius 8-sp. asci 50 x 11
sp 6.5-8 x 4.5-5 biseriate

looks like microsporus, but no pores seen ✓
- check later * not seen again if microsporus

Saccobius 3+3+2 ascus ca 100-125-150 x 30-32

sm 41-45 x 16 spores rough, but not heavily
crash for bekkii? Young spores found. ✓

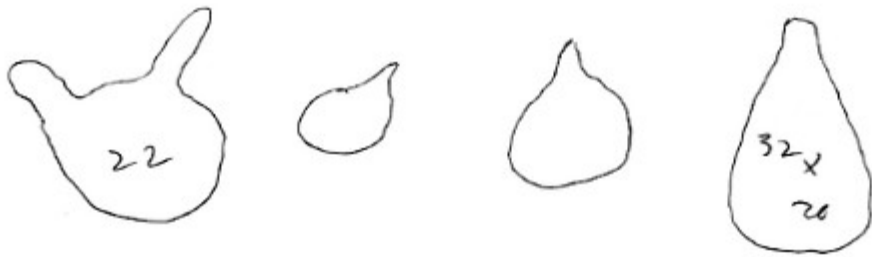

sp 16-19.5 x 9-10 versicolor ✓

1.7 Ascobius green apothecia with rim and

furtraces exterior. Pores in green margin ✓
spores immature - 17-18 x 9 furtraces ✓
want to make (see 7.7)

Codophorus lanceus sp 24-25.5 x 12.5-13 lanceus ✓
minutely verrucose. Klave

Coprinus no. number of veil - all named,
 spores ellipsoid 7.5-9 x 4-6.5 st. asymm
 no scales, but some ± globose cells on stem ^{P.P.}

?
 Possibly Stereum
 see below

A. albidus x

Spherical apothecia, pyriform thin walled excimer.
 immature? spores broad-ellipsoid 20.5-27.5 x 14-15.5
 Asci short broad 110-130 x 32-35
 Asci like Coprinus? [NO see K3]

perks abundant, hyaline, cylindrical, with capitate
 2.5-3 wide
 K1 +ve. immature I. carnosus

7.7

Coprinus ~~minor~~

Green Aschows

Spores 22.5-23
 x 11-11.5

perks embedded in green mucilage, catals with
 near?

apothecia 2mm diam

furfuraceus?
 as blue in K1 as I. carnosus

Codophorus carnosus ✓

sp 21-25 x 12-12.5

Sch. conium ✓ S-sp

sp. 26 x 13 good scales.

Sclerizotter S-sp

red. sp. 18-21 x 10

1 Sclerizotter first small scales

vesticula

8.9 Cop. sterzoeus

9.7 Cop. miser ✓ Cop. strepens ✓ 1 carriers ✓

Sch. conicum ✓

13.7 Cop. miser ✓

Some beetle larvae removed, rather

but still being eaten. Put under a lamp for a while + 9 larvae removed. Replaced better.

1. carriers ✓

6.8 Cop. miser ✓

Sch. conicum ✓

1. carriers

in poor condition - discarded
